Examination Score Report
Xiaohua Yu
Oracle Testing ID: OC2063691
1Z0-815 Java SE 11 Programmer I

Exam Date: 8/5/2020
Registration: 378925952
Center ID: Proctored

Your Score: 79%   **Passing Score:** 63%   **Result:** Pass

Feedback on your performance is printed below. The report lists the objectives for which you answered a question incorrectly.

- Create and import packages
- Create and use do/while, while, for and for each loops, including nested loops, use break and continue statements
- Declare and initialize variables (including casting and promoting primitive data types)
- Declare modules and enable access between modules
- Declare, instantiate, initialize and use a one-dimensional array
- Describe the Modular JDK
- Distinguish class inheritance from interface inheritance including abstract classes
- Distinguish overloading, overriding, and hiding
- Enable polymorphism by overriding methods
- Use local variable type inference

If this is the final exam in your certification path, you are required to complete the following steps.

- Visit certification.oracle.com and select your certification path to ensure you are aware of all certification requirements.
  - Note that completion of the required training and approval of the course submission form are also required in paths that require training.
- Check certview.oracle.com to confirm that all completed components are in your profile.
  - If exams that you have taken do not show up, you may have taken them under a different Oracle Testing ID.
  - Contact www.pearsonvue.com/oracle/contact to merge your IDs (provide all IDs under which you have taken exams or submitted forms and confirm which ID should be the 'surviving id').
